From Yavapai County Board of Supervisors Chairman Craig L. Brown:

Great things are happening in Yavapai County. Lets keep it up.

Last Friday March 5, 2021, Governor Ducey issued Executive Order 2021-05 rescinding occupancy limitations on many business establishments. According to our Yavapai County Community Health Services Director our Covid vaccine numbers are going up and our positive test results are coming down. These are all great indicators that we are moving in the right direction, but they do not mean we can stop following the CDC guidelines put in place to protect us.

Even if you have received your vaccine it is important to continue to follow CDC guidelines by staying home when sick, wearing a mask in public, physically distancing when you can, and washing your hands often. Wearing a mask at work is still required unless you are at your workstation and at least six feet from anyone else.

I am sure you have already heard that on March 15, 2021, the Yavapai County Administration buildings located at 1015 Fair St. Prescott AZ as well as 10 S. 6th Street, Cottonwood AZ, will once again be open to the public and masks will continue to be required by employees and anyone who wishes to enter either of these buildings. Yavapai County has chosen to continue restricting the Board of Supervisors meetings to staff only for the time being.

Your health and safety are of utmost importance to me and I appreciate your continued efforts to fight the spread of this virus.
